

## Submission for ESG & Social Impact Award

**ESG & Social Impact Award:** Real estate projects substantially completed during January 1, 2020 to December 31, 2021. Certificate of Occupancy and Substantial Completion must have been issued during this period. The project should demonstrate excellence, innovation, and achievement in aspects of ESG. *Examples: New green development/redevelopment projects, building retrofit, corporate sustainability initiatives or processes, contributions to the green building movement and a wide range of other possibilities.*

**Submission Deadline:** Thursday, February 10, 2022

**Submission Eligibility** (please check one):

- Environmental Initiative
- Social Initiative

**Other Submission Considerations:**

This submission is an opportunity for you/your firm to explain why this specific initiative deserves to be recognized as the ESG & Social Impact project of the year. Submissions should be tailored to highlight the most noteworthy aspects of the project, outcomes of implementing the ESG initiative, metrics (including financial impacts), and manner in which it distinguishes itself from other recent projects. Specificity is key and point form is acceptable.

Three (3) key judging criteria include: Project Impact & Performance (50%), Innovation & Creativity (50%), and Other Considerations.

**Privacy Statement:** *The information collected on this form will be used for the sole purpose of administering the NAIOP Awards and the applicant understands that the winner's name will be announced at the REX Gala and may be published on the NAIOP Greater Toronto Chapter website and in other media announcements. The submission information, including names and details, is how it will read in all marketing materials.*

## Submission for ESG & Social Impact Award

**Transaction Description:**

*In 250 words or less, please provide an overview and description of the ESG initiative, including location, building area, project overview, and ESG objectives.*

## Submission for ESG & Social Impact Award

### Project Impact & Performance (50%):

In 500 words or less, please describe how the initiative considers the following:

#### If environmental initiative:

- **Performance Management & Impact:** How does and to what extent does the project creatively reduce / minimize environmental impact? Does the initiative improve sustainable operational excellence and meet its benchmarking goals? E.g. GHG emissions / water / waste / energy management and reduction, sustainable materials, etc.
- **Climate Risk & Resilience:** Consider the project's resilience and response to climate risk and environmental disasters, adaptation planning, etc.
- **Cost & Scalability/Replicability:** Consider the overall value of the initiative to the bottom line, impact on productivity, creative use of government incentives, impact on the market relative to existing or future buildings/initiatives, etc.
- **Green Certifications, Policies & Reporting:** Consider any sustainable certifications achieved (if applicable), rigor of sustainable policies compared to market standards, use of data analytics / reporting, etc.

#### If social initiative:

- **Performance Management & Impact:** How does and to what extent does the project creatively drive positive social impact? Does the initiative result in sound and sustainable operational excellence and meet global best practices?
- **Relationships, Engagement & Reputation:** Does this project enhance stakeholder relationships, loyalty, and satisfaction? Enhance public reputation? Consider stakeholder input or collaboration, community partnerships, etc.
- **Cost & Scalability/Replicability:** Consider the overall value of the initiative to the bottom line, impact on productivity, creative use of government incentives, impact on the market relative to existing or future buildings/initiatives, etc.
- **Equity, Diversity & Inclusion (EDI) & Responsible Contracting:** Consider the extent to which EDI values are embedded in the project, the soundness of the supply chain, inclusion of responsible contracting policies, etc.

## Submission for ESG & Social Impact Award

### Innovation & Creativity (50%):

*In 500 words or less, please describe how the lease transaction considers the following:*

- **Project Complexity:** Consider the complexity of the project and the overall process required to achieve the project goals
- **Innovation & Forward Thinking:** Is the initiative forward thinking? Does the project propel the industry forward with new ideas/tools/approaches?

## Submission for ESG & Social Impact Award

### Other Considerations:

*In 250 words or less, please include any other Environmental, Social or Governance considerations not covered in the above, for example:*

- *If **environmental** initiative, any social or governance considerations worthy to note? E.g. Does this project enhance stakeholder relationships, loyalty, and satisfaction? How does the quality / level of disclosure of ESG performance & practices compare to global best practices?*
- *If **social** initiative, any environmental or governance considerations worthy to note? E.g. Does this project reduce / minimize environmental impact? How does the quality / level of disclosure of ESG performance & practices compare to global best practices?*

### Photographs/Renderings:

*Please attach or include photographs/renderings of the project as part of the submission.*
